

## CURRICULUM VITAE

**NAME:** Werayuth Srithumsuk, DSN, RN

**CURRENT POSITIONS:**

1. Lecturer, Faculty of Nursing Science and Allied Health, Phetchaburi Rajabhat University
2. Director of Simulation and Innovation Resource Center of Phetchaburi, Faculty of Nursing Science and Allied Health, Phetchaburi Rajabhat University
3. Chair of International Nursing Association for Clinical Simulation and Learning (Thailand RIG)

**ADDRESS: Office:** Department of Adult and Gerontological Nursing  
Faculty of Nursing Science and Allied Health,  
Phetchaburi Rajabhat University  
38 Moo. 8 Muang District, Phetchaburi Province,  
76000 THAILAND

**Email:** jackrn12@gmail.com

### EXPERTISE/RESEARCH INTEREST:

Stroke, Simulation-based Learning, Salutogenesis

### EDUCATION:

**2018 - 2021** Doctor of Science in Nursing (DSN)  
Department of Health Promotion System Sciences,  
Division of Allied Health Science,  
Graduate School of Medicine, Osaka University, JAPAN  
Supervisor: Prof. Dr. Kei Kamide and  
Prof. Dr. Mai Kabayama

**2007 - 2010** M.Sc. (Anatomy and Structural Biology)  
International Program, Faculty of Science,  
Mahidol University, THAILAND  
Supervisor: Prof. Dr. Boonsirm Withyachumnarnkul  
and Assoc. Prof. Dr. Kanokpan Wongprasert

**2001 - 2005** B.N.S. (1<sup>st</sup> class honors),  
Boromarajonani College of Nursing Nonthaburi,  
Affiliated with Mahidol University, THAILAND  
Supervisor: Dr. Wararat Pratanvorapanya

## **CERTIFICATIONS:**

- |             |  |
|-------------|--|
| <b>2022</b> | Certificate of Stroke Nurse: Basic Course<br>Department of Medical Services,<br>Ministry of Public Health                                    |
| <b>2018</b> | Certificate of Intensive Japanese Language (IJ100),<br>(4 months)<br>Center for International Education and Exchange<br>Osaka University     |
| <b>2016</b> | Leadership for Change (LFC) Certified (1 year)<br>International Council of Nurses (ICN) and<br>Thailand Nursing and Midwifery Council (TNMC) |
| <b>2006</b> | Certification of Clinical Teaching<br>(International Program) (4 months)<br>Boromarajonani College of Nursing Bangkok                        |

## **TEACHING AND PROFESSIONAL EXPERIENCES:**

- |                       |  |
|-----------------------|--|
| <b>2016 - present</b> | Lecturer, Faculty of Nursing Science and Allied Health,<br>Phetchaburi Rajabhat University |
| <b>2015 - 2016</b>    | Research Nurse, Prasat Neurological Institute  |
| <b>2011 - 2014</b>    | Lecturer, Faculty of Nursing Science, Assumption<br>University                             |
| <b>2009 - 2011</b>    | Emergency Paramedic, International SOS (Thailand)  |
| <b>2005 - 2007</b>    | Lecturer, Department of General Education<br>Boromarajonani College of Nursing Nonthaburi  |

## **ADMINISTRATION EXPERIENCES:**

- |                    |   |
|--------------------|---|
| <b>2017 - 2018</b> | Associate Dean of Research and Academic Services,<br>Faculty of Nursing Science, Phetchaburi Rajabhat<br>University |
| <b>2016 - 2017</b> | Associate Dean of Student Affairs, Faculty of Nursing<br>Science, Phetchaburi Rajabhat University                   |

## **RESEARCH EXPERIENCES:**

- |                    |  |
|--------------------|--|
| <b>2022 – 2023</b> | AANN/ABNN/AMWF Tri-Board Mentorship Program<br>By American Association of Neuroscience Nurses<br>Under Supervised by Assoc.Prof.Dr. Cynthia Bautista<br>School of Nursing, Fairfield University, USA |
| <b>2020 – 2021</b> | Specially appointed researcher (International<br>collaborative research project)   |

Osaka University & University of California Berkeley,  
USA

Under supervised by Prof.Dr. Kei Kamide and  
Assoc.Prof.Dr. Winston Tseng

2020 Research Fellowship  
Department of Human Development & Family  
Studies, College of Human Sciences,  
Iowa State University, USA

2018 - 2020 Under supervised by Prof.Dr. Peter Martin  
Research Assistant  
Department of Health Promotion System Sciences,  
Division of Allied Health Science,  
Graduate School of Medicine, Osaka University, JAPAN  
Under supervised by Prof.Dr. Kei Kamide

#### SCHOLARSHIPS:

2021 Conference scholarship for ICCN 2021 (virtual)  
By International Conference on Cancer Nursing

2018 - 2021 Doctoral Course Scholarship to study at Graduate  
School of Medicine, Osaka University  
by Phetchaburi Rajabhat University

2015 Conference and Travel Grants Scholarship for AONS  
2015 Conference: Flying the spirit of Asian Oncology  
Nursing at South Korea

2015 - 2016 by Intravenous and Chemotherapy Nurses Society  
Scholarship for ICN-Leadership for Change Training  
by Intravenous and Chemotherapy Nurses Society

2009 - 2010 Scholarship from The Thailand Research Fund  
(under TRF-MAG window I)

2005 Yukhonthon scholarship, Thailand Nursing Association

#### AWARDS:

2023 Outstanding Alumnus in Research  
from Praboromarajchanok Institute

2022 American Association of Neuroscience Nurses  
Membership Grant  
from Agnes Marshall Walker Foundation

2021 Outstanding research and innovation award  
from Faculty of Nursing Science and Allied Health  
Phetchaburi Rajabhat University

- 2021 Realistic Scenario Award  
from Faculty of Nursing Kuakarun,  
Navamindradhiraj University
- 2021 Popular Vote Scenario Award  
from Faculty of Nursing Kuakarun,  
Navamindradhiraj University
- 2020 Home Care Nursing Research Award  
from International Home Care Nurses Association,  
USA
- 2015 IVN Young Leadership Award  
from Intravenous and Chemotherapy Nurses Society  
of Thailand
- 2015 IVN Award  
from Intravenous and Chemotherapy Nurses Society  
of Thailand

## **EDITORIAL BOARD**

### **International**

- Gerontology & Geriatrics Studies
- Journal of Integrative Nursing
- Journal of Modern Nursing Practice and Research
- Journal of Rural Community Nursing Practice

### **National**

- Journal of the Royal Thai Army Nurses

## **REVIEWER**

### **International**

- Advances in Aging Research
- Journal of Death and Dying
- The International Society of Nurses in Cancer Care (Conference abstract reviewer)
- Journal of Integrative Nursing
- BMC Geriatrics
- Journal of Clinical Nursing
- BMC Musculoskeletal Disorders
- BMC of Public Health
- Scientific Report

## **National**

- Journal of the Royal Thai Army Nurses
- Journal of Health Science Research

## **GRANT REVIEWER**

- International Home Care Nurses Organization, USA

## **MEMBERSHIP:**

- Member of International Nursing Association for Clinical Simulation and Learning (2023 – present)
- Member of Thailand Nursing and Midwifery Council (2005 - present)
- Member of the Nurses' Association of Thailand (2005 - present)
- Member of Intravenous and Chemotherapy Nurses Society of Thailand (2015 - present)
- Member of Thai Neurological Nurse Society (2015 - present)
- Member of Nurse Alumni Association of the Ministry of Public Health (2019-present)
- Member of Japanese Geriatric Society (2019 – 2021)
- Member of Thai Students' Association in Japan Under Royal Patronage (2018-2021)
- Member of American Association of Neuroscience Nurses (2022-present)

## **OUTSIDE ORGANIZATION COMMITTEE:**

- Committee of Thai Neurological Nurse Society (2015 - present)
- Communication Committee of Asian Oncology Nursing Society (AONS) (2016 - 2017)
- Nurse Champion of International Society of Nurses in Cancer Care (2015-2017)
- Head of Public Relation, Intravenous and Chemotherapy Society of Thailand (2015 - 2017)

#### **Expert for reviewing research instruments**

**1. Instrument name:** Gerontological nursing practice of professional nurses questionnaire

**Researcher:** Assoc.Prof. Gunyadar Prachusilpa  
Faculty of Nursing, Saint Louis College, Thailand

**2. Instrument name:** The Modified Open to Diversity Scale

- Researcher:** Assoc.Prof. Pinthusorn Pattayakorn  
Department of Nursing, California State University San Bernardino, USA
- 3. Thesis topic:** The Effect of the Stroke Prevention Program among Hypertensive, Diabetes Mellitus, and Hyperlipidemia Patients by Apply Protection Motivation Theory with Telephone Follow Up
- Student's Name:** Ms. Donlaporn Tunthanongsakkul  
Master student in Program of Nursing Specialty in Nurse Practitioner Program, Faculty of Public Health, Mahidol University
- 4. Dissertation topic:** A Digital Art Teaching Model with Mobile Devices to Promote the Well-being of the Older Adults
- Student's Name:** Ms. Orathaya Saramart  
Doctoral student in Art Education, Faculty of Education, Chulalongkorn University
- 5. Dissertation topic:** A model of Competency Development to Increase Competitiveness in the 21st Century of Nursing Teachers under Rajabhat University
- Student's Name:** Mr. Thinnakorn Buachu  
Doctoral student in Education Administration, Faculty of Education, Srinakharinwirot University
- 6. Instrument name:** Health Communication Assessment Tool (Thai Version)
- Researcher:** Lect. Jiranat Chaichana  
McCormick Faculty of Nursing, Payap University
- 7. Instrument name:** Process of Independent Older Adults in Long-term Care During COVID-19 Pandemic of the Older Adults in Ban Lat District, Phetchaburi Province
- Researcher:** Mr. Chao Tongma and Mrs. Chongnang Butrat  
Ban Lat District Public Health Office, Phetchaburi Province
- 8. Instrument name:** Self-efficacy for Learning and Clinical Decision Making Tools
- Researcher:** Lect. Jiranat Chaichana

McCormick Faculty of Nursing, Payap University

**9. Instrument name:** Therapeutic of Dementia by Virtuality from Dementia  
Therapist

**Researcher:** Lect. Siwat Suksiri  
Faculty of Architecture and Design  
King Mongkut's University of Technology Thonburi
